Hello Joyce:

EA Land Investment has proceeded with its development plans for the former La Quinta (and Richard Gordon) property in Salt Lake City. ERM has prepared a Redevelopment Plan to address the environmental and health & safety concerns associated with the proposed work, in accordance with the Environmental Covenant applicable to the land. I am having our support staff in Denver prepare a hard copy of the Work Plan for express delivery to your office at Region 8. I have already delivered copies to the Utah DEQ (to Bill Reese). Please confirm via email reply when you receive the Work Plan. We would appreciate your review and comments/approval through a coordinated effort with the UDEQ. Please let me know if you have any questions.

Regards,  
Dave Wilson
